Aerosol ULV	Kerosene or Diesel or Water	1-2g a.i./ha	4 mL - 8 mL
Hand-held or Vehicle-mounted			

Product Highlights

- ▶ Successfully evaluated and endorsed by the World Health Organization Pesticide Evaluation Scheme (WHOPES) for mosquito control
- ▶ Highly effective against other household insect pests
- ▶ Minimal adverse effects on the environment
- ▶ Adequately persistent on treated surfaces to perform well as residual insecticide and yet quickly degraded in the environment
- ▶ Presents no hazard to the spray operators
- ▶ Low odor
- ▶ Leaves minimum deposit on treated surfaces without staining
- ▶ Simple application with easily maintained spray equipment
- ▶ Non-corrosive, with minimal wear on spraying equipment
- ▶ Treatment easily supervised
